
	<h2>Printer S 220</h2>																																									
	<p>Plastic self-inking dater</p>																																									
<p>USP's / Application Field</p>	<p>New design as the Printer series. The ready- to-use articles shows the imprint on the front side of the handle. Stopper feet prevent the stamp from sliding away while stamping. For all versions only one size of spare pad is needed – this saves space and reduces the storage costs.</p>																																									
<p>Standard Pad</p>	 E/200																																									
<p>Imprint</p>	<p>17 NOV 2004</p>
