	<p>Plastic self-inking numberer and text stamp</p>																																			
<p>USP's / Application Field</p>	<p>New design as the Printer series. The pre-punched index card, protected by an index-window, shows the complete imprint. Stopper feet prevent the stamp from sliding away while stamping. For all versions only one size of spare pad is needed – this saves space and reduces the storage costs.</p>
